Get up to **£300 credit** when you switch

Switching has never been easier. With One Touch Switch we'll handle all
the admin (no need to speak with your ex-provider) and we'll even
cover the termination fees. We're in your corner.

99.9% reliability: based on average service 'uptime' between Jan-June 2025. Price match guarantee: Terms apply, see hyperoptic.com/legal/post/price-match-guarantee/. 30-days to decide: Compared with the minimum 14-day cooling off cancellation period offered by many providers, Hyperoptic allows you to cancel at any time up to the 30th day your Hyperoptic service is first active without incurring any charges except in relation to any of our services you've used before you cancel. See Clause 7.7: hyperoptic.com/legal/post/terms-of-service/. Trustpilot data: uk.trustpilot.com/21/11/1025. Up to £300: offer applies to 150Mb-1Gb packages on 24-month min. commitment only and will be in the form of a non-refundable bill credit and the amount will depend on the 'early termination charge and the speed and price of the Hyperoptic package selected. Max. credit: £100 for 150Mb, £200 for 500Mb, £300 for 1Gb packages. Full terms apply: hyperoptic.com/switching-credits-resi-tcs.
